

SEGUIN ISLAND TRAIL MAP

SEGUIN HIGHLIGHTS

- ★ Seguin Light is the second oldest lighthouse in Maine.
- ★ The original structure was commissioned by George Washington and built in 1795.
- ★ The light is the highest in Maine with a focal point of 180 feet above sea level.
- ★ The first Order Fresnel Lens was installed in 1857 and is the only original operating lens north of Virginia.
- ★ The 756 foot wooden tramway on a trestle is currently the only operating tram in Maine.
- ★ Seguin Island was placed on the National Register of Historical Places on February 7, 1979.

Membership and donations to continue to support the preservation of this priceless historic lighthouse can be sent to: The Friends of Seguin Island, Inc., P.O. Box 866, Bath, Maine 04530. The Friends is a 501c3 non-profit organization chartered in Maine.
